

BRAILLO ● 650SW

The ideal production Braille embosser for creating Braille books and magazines

The 650 SW Embosser employs a paper cutter for two or four page-per-sheet format, and a conveyor belt engineered to handle large format production. This fast (1,950 pages per hour), heavy-duty embosser is ideal for creating both Braille magazines and textbooks. Once the brailled documents reach the conveyor belt, they are separated by "signatures" and the user will then remove and fold the sheets into magazine/book format ready for binding.

Feature Highlights:

- Embosses magazine/book & standard formats
- Uses Braille paper rolls
- 650 CPS (1,950 pages per hour)
- 24/7 True Braille production
- Superior Braille quality and reliability
- Used for decades by respected industry leaders
- Duxbury Braille Translator included free
- Extensive reference list

Technical Specifications

Performance:

Characters per line: 10-44

TRUSTED GLOBALLY

INDUSTRY LEADING WARRANTY

CHOOSE BRAILLO WHEN PERFORMANCE COUNTS

Braille publishers count on running their machines 24/7, at high speeds while continuously producing high quality Braille documents. High quality throughput means profit. Only Braillo true production Braille embossers can perform at this level. Trust your business to the industry leader with 30 years dedicated to engineering the best production Braille embossers. Trust your business with Braillo.

Benefits of choosing Braillo for your Braille production:

- The only manufacturer of true production Braille printers
- Built specifically for all-day, heavy duty Braille embossing
- Perfect Braille alignment – every time
- Industry leading 3 year comprehensive warranty
- The most trusted Braille translator, Duxbury, included free
- Discounts on our quality Braille paper

Braillo Stands Behind Our Embossers

Since 1980, Braillo has been solely focused on engineering the finest production Braille embossers. Braillo embossers produce high quality Braille, both quickly and reliably, over long durations of time. Braillo combines industry-leading translation software, a 3 year warranty and the highest quality Braille paper with its true production Braille embossers. When you purchase a Braillo embosser, you are investing in a machine that will produce Braille documents, books and magazines for decades on end, no other manufacturer can make this claim.

BRAILLO WARRANTIES

For all Braillo models, our Standard Warranty covers every component from the date of delivery throughout the first three years, or up to 8,000 hours – whichever comes first. To put this into perspective, this equates to 7.2 – 15.6 million printed Braille pages (Braillo 300 – Braillo 650, respectively).

In addition, Braillo offers tailored extended warranty options and on-site maintenance agreements.

SERVICE SUPPORT

Braillo is always here to support your investment with in-person, phone and online support. We also offer training classes, instructional videos, on-site and/or in-house service options. There are choices available to every Braillo customer.
