

# BRAILLO ● CUT

A Cutter, Trimmer, Burster For Continuous/Fanfold Braille Paper

When it comes to bursting/cutting/trimming Braille paper, Braillo recommends the Braillo Cut 4, which is a modified Muller 6600 series forms cutter. This machine is made in Germany and is "Braille modified" in Norway. It is extremely reliable and Muller has over 45 years of experience with cutting/trimming continuous forms. The Braillo Cut offers users an attractive stand-alone option for cutting continuous Braille paper in a flexible and modular design.

A standard cutter, in most instances, doesn't necessarily handle Braille paper in the correct manner. Typically, the Braille will get smashed and the heavier weight Braille paper causes jams, ultimately reducing the quality of your finished product. Since superior quality is the top priority for Braillo, we modify the standard Muller 6609 and make adjustments to it to ensure proper handling of Brailled documents.

## Technical Specifications

---

### Performance:

Sheet Length: 4-14" / 10.16-35.56 cm  
Sheet length: 2" - 13.875" / 5.08 - 422.91 cm  
Sheet width: 3.46" - 19.69" / 8.8 - 50 cm  
Edgetrim: 1.10" / 2.8 cm  
Cutting tolerance: .012" / 3mm  
Paper weight: 30 - 115# / 40 - 200 gsm  
Cuts per hour: 10,000+  
Noise level: 68dB

### Electrical:

Voltage: Single phase 115V / 220V, 50/60 Hz  
Power: 600W max, 50W standby

### Measurements:

Height: 47.25" / 120 cm  
Width: 33.46" / 85 cm  
Length: 37.80" / 96 cm  
Weight: 188 pounds / 85 kilos

## Braillo Cut Key Features

---

Braillo Cut trims all 4 sides of a Braille paper page, removing any signs of perforations Can trim/cut Braille paper at speeds of up to 18,000 cuts per hour Can operate effectively on both single and double cut settings for multiple applications Store 99 Programs accessible through a user friendly LCD screen. This ensures that you are up and running on each job with minimal set up time required If you print large amounts of Braille using a continuous/ tractor/fanfold paper, the Braillo Cut 4 is a fast and cost-effective way to separate them into single sheets

## Braillo Cut Compatability

---

The Braillo Cut will work with all of the Braillo continuous/fanfold embossers - 300 S2, 450 S2 and 600 S2 (as well as earlier models).

# TRUSTED GLOBALLY

## INDUSTRY LEADING WARRANTY

### CHOOSE BRAILLO WHEN PERFORMANCE COUNTS

Braille publishers count on running their machines 24/7, at high speeds while continuously producing high quality Braille documents. High quality throughput means profit. Only Braillo true production Braille embossers can perform at this level. Trust your business to the industry leader with 30 years dedicated to engineering the best production Braille embossers. Trust your business with Braillo.

Benefits of choosing Braillo for your Braille production:

- The only manufacturer of true production Braille printers
- Built specifically for all-day, heavy duty Braille embossing
- Perfect Braille alignment – every time
- Industry leading 3 year comprehensive embosser warranty
- The most trusted Braille translator, Duxbury, included free
- Discounts on our quality Braille paper

### Braillo Stands Behind Our Embossers

Since 1980, Braillo has been solely focused on engineering the finest production Braille embossers. Braillo embossers produce high quality Braille, both quickly and reliably, over long durations of time. Braillo combines industry-leading translation software, a 3 year warranty and the highest quality Braille paper with its true production Braille embossers. When you purchase a Braillo embosser, you are investing in a machine that will produce Braille documents, books and magazines for decades on end, no other manufacturer can make this claim.

### BRAILLO WARRANTIES

For all Braillo models, our Standard Warranty covers every component from the date of delivery throughout the first three years, or up to 8,000 hours – whichever comes first. To put this into perspective, this equates to 7.2 – 15.6 million printed Braille pages (Braillo 300 – Braillo 650, respectively).

In addition, Braillo offers tailored extended warranty options and on-site maintenance agreements.

### SERVICE SUPPORT

Braillo is always here to support your investment with in-person, phone and online support. We also offer training classes, instructional videos, on-site and/or in-house service options. There are choices available to every Braillo customer.
