

BRAILLO ● 300 S2

The affordable entry into true production braille embossing

Considered the “entry level” Braillo, the 300 S2 is a reliable and dependable embosser for light to heavy braille production. Embossing at 300 CPS (900 pages per hour) using continuous/fanfold braille paper, it offers exceptional dot quality and reliability. Its combination of speed, durability, reliability and quietness are the reasons why it is used across the world by most of the largest braille production facilities.

Feature Highlights:

- Lowest priced true production braille printer available
- 300 CPS (900 pages per hour)
- 24/7 braille production
- Superior braille quality compliant with .5mm dot height
- Used for decades by respected industry leaders
- Duxbury Braille Translator included free
- Easy to setup and easy to service
- Extensive reference list

TRUSTED GLOBALLY

INDUSTRY LEADING WARRANTY

CHOOSE BRAILLO WHEN PERFORMANCE COUNTS

Braille publishers count on running their machines 24/7, at high speeds while continuously producing high quality braille documents. High quality throughput means profit. Only Braillo true production braille embossers can perform at this level. Trust your business to the industry leader with 40 years dedicated to engineering the best production braille embossers. Trust your business with Braillo.

Benefits of choosing Braillo for your braille production:

- The only manufacturer of true production braille printers
- Built specifically for all-day, heavy duty braille embossing
- Perfect braille alignment – every time
- The only braille dot height compliant embosser at .5mm
- Industry leading 4 year comprehensive warranty
- The most trusted braille translator, Duxbury, included free
- Discounts on our quality braille paper

Braillo Stands Behind Our Embossers

Since 1980, Braillo has been solely focused on engineering the finest production braille embossers. Braillo embossers produce high quality braille, both quickly and reliably, over long durations of time. Braillo combines industry-leading translation software, a 4 year warranty and the highest quality braille paper with its true production braille embossers. When you purchase a Braillo embosser, you are investing in a machine that will produce braille documents, books and magazines for decades on end, no other manufacturer can make this claim.

BRAILLO WARRANTIES

Braillo offers the industry's most comprehensive warranty. Our standard warranty covers any defective mechanical and electrical component from the date of delivery throughout the first 3 years, or up to 8,000 hours (up to 15,600,000 braille pages).

Braillo provides an additional 1 year of warranty by using Braillo/American Thermoform braille paper with your embosser, bringing the warranty to 4 years, or up to 10,700 hours (20,800,000 braille pages).

Braillo stands behind our braille embossers – no matter what.

SERVICE SUPPORT

Braillo is always here to support your investment with in-person, phone and online support. We also offer training classes, instructional videos, on-site and/or in-house service options. There are choices available to every Braillo customer.
