

BRAILLO ● 650 SW2

The ideal production braille embosser for creating braille books and magazines

The Braillo 650 SW2 embosser employs a paper cutter for two or four page-per-sheet format, and a conveyor belt engineered to handle large format production. This fast (1,950 pages per hour), heavy-duty embosser is ideal for creating both braille magazines and textbooks. Once the brailled documents reach the conveyor belt, they are separated by "signatures" and the user will then remove and fold the sheets into magazine/book format ready for binding.

Feature Highlights:

- Embosses magazine/book & standard formats
- Uses braille paper rolls
- 650 CPS (1,950 pages per hour)
- 24/7 true braille production
- Superior braille quality and reliability
- Complies with .5mm dot height standards
- Used for decades by respected industry leaders
- Duxbury Braille Translator included free
- Extensive reference list

Technical Specifications

Performance:

Characters per line: 10-44

- Built specifically for all-day, heavy duty braille embossing
- Perfect braille alignment – every time
- Only Braillo is compliant with .5mm dot height standards
- Industry leading 4 year comprehensive warranty
- The most trusted braille translator, Duxbury, included free
- Discounts on our quality braille paper

Braillo Stands Behind Our Embossers

Since 1980, Braillo has been solely focused on engineering the finest production braille embossers. Braillo embossers produce high quality braille, both quickly and reliably, over long durations of time. Braillo combines industry-leading translation software, a 4 year warranty and the highest quality braille paper with its true production braille embossers. When you purchase a Braillo embosser, you are investing in a machine that will produce braille documents, books and magazines for decades on end, no other manufacturer can make this claim.

BRAILLO WARRANTIES

Braillo offers the industry's most comprehensive warranty. Our standard warranty covers any defective mechanical and electrical component from the date of delivery throughout the first 3 years, or up to 8,000 hours (up to 15,600,000 braille pages).

Braillo provides an additional 1 year of warranty by using Braillo/American Thermoform braille paper with your embosser, bringing the warranty to 4 years, or up to 10,700 hours (20,800,000 braille pages).

Braillo stands behind our braille embossers – no matter what.

SERVICE SUPPORT

Braillo is always here to support your investment with in-person, phone and online support. We also offer training classes, instructional videos, on-site and/or in-house service options. There are choices available to every Braillo customer.
